« 82 † If I had a handful of wheat laying here in my hand, and lay it on this desk, it would never be nothing but wheat laying there.

But plant that wheat in the ground, and it'll produce maybe a bushel of wheat. See? But the germ of life is in the wheat, but the wheat has to fall into the ground and die, Jesus said it, or Paul, I believe, that said. "Except a corn of wheat fall into the ground and die, it remaineth alone." See?

And then This is God, His Word. And when that Word anchors down in the--in the heart... Oh, if I could get you to see it. When that Word anchors there, it--it'll produce just what It said. It'll do just... It's God; it has to.

But if you just say, "Well, I know the Word's there; yeah, that's right," **It just lay a handful, yeah; It'll be dormant.** That's right; It won't move, because... "Oh, I--I read the Bible."

But until you can anchor That, and say, "Yes, Lord, that's for me," then something's going to happen. It has to. Until that, it's just the written Word. That's right. But when it's once anchored...

Oh, if the great holy Church only realized its power to do these things. **But there's so much doubt and fear and trembling, wondering if it will, "Could it happen?"** **As long as that exists, the Church can never stand upright.** **And when every talk of fear is vanished and the Holy Spirit is completely in control of the Church, then all fears are gone, and that Church has the power.** See? Why, they have everything that heaven owns behind them. They're ambassadors of the throne. Absolutely. An ambassador of Christ has the authority, and everything that Christ owns belongs to that ambassador. And He said,

"Go ye into all the world; you are My witnesses after the Holy Ghost is come on you." And what is a witness? Is an ambassador, is to come and witness something. The whole powers of heavens is right in your hands. Oh, why do we set, and the church is barren, **and we set dormant**? Is because that we don't recognize these things.

« E-34 † But I want you to notice, before every destruction, any destruction ever happened to the world, God sent supernatural signs; every efflux, or, I'd say, so you'd understand, junction.

Look, the world went all modern, for a while, after the birth of Cain and Abel, and so forth; the great churches built. They had a little remnant

out of Seth's people: shepherds, peasants, Enoch, Noah. Watch! **As they went along, it come time for the antediluvian destruction.**

And before God destroyed the world with water, He sent a prophet, He sent angels, He sent supernatural, He had a supernatural revival and a Message and a warning (and the people spurned it); and drowned the whole world in the judgment.

Before God taken Israel out of Egypt, what happened? She'd laid dormant for hundreds of years, just her same old priest in the same old ritual. But all of a sudden, what happened? There come a prophet on the scene, supernatural was done, signs and wonders appeared. And Egypt drowned in the Red Sea, 'cause she failed to see the day, and she called the supernatural of God, that it was some kind of a natural thing that happened in the earth.

« 265 † I pray that you'll have no rest, no rest at all, until you have received the Holy Ghost. And I pray for myself, and for these who raised their hands that has the Holy Ghost. **I profess It, you profess It; but Christian friends, we're letting that Holy Spirit lay dormant.** We are--we are catered too much to the--to the pleasures of life. We're afraid of a little affliction. We're afraid of these things. Let's lay this world aside.

Hold to Him. **May we, as Christians who claim the Holy Spirit, may we be so ashamed of ourselves, may we be so vexed in our spirit, that we'll never cease until we're living, burning lights; filled with the Spirit, and letting Him operate through us.** I don't mean in a bunch of fanaticism, you know better than that. I mean in a true, reverent way of God, through the baptism of the Spirit, through the power and manifestation. To work in this last days, when we know that the end is nigh.
