222 Oh, He may permit **crossroads**. He **may permit crossroads to try us, to perfect us for His service**. He may permit that now, Church, both here and on tape. He may permit the **crossroads** for our service.

223 Like He did Daniel. He give Daniel a little crossroad one day. You know, he was a great man down in Babylon. He did, He let the king turn against him and throw him in the lions' den. **It only perfected him**. Sure did!

56-0115 - The Junction Of Time
Rev. William Marrion Branham

99 Watch how the fire comes each time. Watch how prophets come each time. Watch how the miraculous is done each time. Watch how God vindicates Himself in healing and powers each time, just at the **crossroads**, never before; right at the cross roads, at the junction, change in dispensation, change in time.

111 One day, in John 17, He looked up and said, "Father, the hour is come." Hallelujah! "The junction is here. All things are finished now. All things are getting ready. **The crossroads has come**. The world is warned. I've anointed these apostles, and they've done signs and wonders. We've passed through the land. We've combed back and forth. The time is here. The time has come."

112 ... Time is here, **and Omnipotence is answering**. The miraculous is taking place; has to; we're at the junction.

113 And, there, when He done all the miraculous, while Omnipotence, God manifested in flesh.

124 We're like Noah, building away on the ark. The miraculous will take place someday when the Rapture comes and Jesus comes. We're at the junction now. When you see these things happen, raise up your head, your redemption is drawing nigh. **Omnipotent speaks and miraculous is done.**

231 God Who made the promise, in the last days these things would happen that we see happen! If He promised a son, and the son came; if He promised all these things that we see through the Scripture, and it did, let's get into the rhythm of it. He promised in the last days these things would take place, and we see it. He promised that He would send Jesus. Hallelujah. **There will be a Millennium!** There will be a new day. There will be a day that the sun will never go down no more, for the...we'll need it no more, for the Lamb is the Light of the City to where we're going. Amen.
